

Lesson 1 Workbook

Meet the mission, prepare your professional introduction, and choose the route that fits your week.

A2+ to B2	Essential or Complete	Module 01
-----------	-----------------------	-----------

Your can-do goal

Ao final desta missão, você conseguirá apresentar sua função, responsabilidades, experiência e objetivo profissional; fazer uma pergunta relevante; identificar um ponto em comum; e sugerir um próximo passo.

The situation

Você entrou em uma sala de networking de um evento profissional internacional online. Terá poucos minutos para conhecer uma pessoa de outra empresa, país ou área.

Networking, nesta missão, significa compreender o trabalho de alguém, encontrar um ponto em comum e combinar um próximo passo - não pedir emprego imediatamente.

Choose your route

ESSENTIAL	10-15 min. Linguagem principal, microprática, produção curta, self-check e retry.
COMPLETE	20-30 min. Linha de base, listening, linguagem, pronúncia, missão, feedback e retry.
